10 v.

11 NDOC, *et al.*,

12 Defendants.

Case No. 2:15-cv-00623-APG-GWF

**ORDER**

14 This matter is before the Court on Plaintiff's Request for Authorities and Court's  
15 Intervention (ECF No. 221), filed on August 22, 2017.

16 Plaintiff's request appears to assert that his civil rights are allegedly being violated while  
17 incarcerated and seeks the Court's intervention by way of motion. The instant lawsuit is not the  
18 proper avenue for Plaintiff to seek redress from allegedly new or ongoing violations of his rights.  
19 If, in fact Plaintiff is experiencing ongoing mistreatment, he can either move to amend his  
20 complaint, or bring a separate action after he exhausts his administrative remedies. Accordingly,

21 **IT IS HEREBY ORDERED** that Plaintiff's Request for Authorities and Court's  
22 Intervention (ECF No. 221) is **denied**.

23 DATED this 28th day of August, 2017.
